3. Approval of the Minutes of November 12, 2009

4. Safety Study – Fremont and Rensselaer Drive

Staff will review the report that was prepared in response to a citizen request received for the intersection of Fremont Avenue and Rensselaer Drive. The study did not warrant the installation of an all way stop control nor a striped east-west crosswalk across Fremont Avenue at this time.

Recommended Action

It is recommended that the Transportation commission review the report with the City Engineer, listen to public comment and order the report to be filed.

5. Safety Study – Date Avenue and Orange Street

Staff will review the report that was prepared in response to a request received for the intersection of Date Avenue and Orange Street. The study did not warrant the installation of an all way stop control at this time.

Recommended Action

It is recommended that the Transportation Commission review the report with the City Engineer, listen to public comment and authorize staff to implement the additional safety measures as outlined in the report.

6. Safety Study – San Clemente Avenue and El Paseo Street

Staff will review the report that was prepared in response to a request received for the intersection of San Clemente Avenue and El Paseo Street.

Recommended Action

It is recommended that the Transportation Commission review the report with the City Engineer, listen to public comment and authorize staff to implement the additional safety measures as outlined in the report.

7. Review of Existing Conditions – Hellman Avenue and Elm Street

Staff will review the report that was prepared in response to a Commissioner request for the intersection of Hellman Avenue and Elm Street. The study did not warrant any changes to the existing layout of the intersection.

Recommended Action

It is recommended that the Transportation Commission review the report with the City Engineer, listen to public comment, (1) staff perform a review of the Fremont School valet program; and (2) work with the School and Police Department to provide additional enforcement/education during the drop off/pick up times.

8. Public Comments

Comments must pertain to the business of the Transportation Commission. Kindly limit all oral communications to five (5) minutes.

9. Comments and concerns from Commission Members and/or Staff.

Comments, concerns or discussion on any item(s) not specified on the agenda. Items discussed must pertain to the business of the Alhambra Transportation Commission.

10. Adjournment

Adjournment to a regular meeting on Wednesday, July 14, 2010 at 7:00 p.m.

Copies of staff reports or other written documentation, if any, relating to each item of business described above are on file in the Alhambra City Hall, Public Works Department, 111 S.
