

CITY OF ALHAMBRA

ASSEMBLY BILL 1826 - ORGANICS

PRC 42649.82(e) (3) EXEMPTION REQUEST FORM

California State Law AB 1826: Mandatory Organics Commercial Recycling requires businesses and multifamily dwellings that generate more than 4 yards of solid waste, recycling, and organics per week, to enroll in an organic waste diversion program. The City of Alhambra offers organics recycling programs through the City's recycling and waste hauling partner, Republic Services. You may enroll in the organics recycling program by calling 1-800-299-4898.

Organics waste includes food waste and green waste. Food Waste is defined as vegetables, fruits, meats, poultry, seafood, pastas, breads, eggshells, coffee and tea grounds. Green waste is defined as landscaping and grass clippings, leaves, branches, flower trimmings, hedge trimmings, weeds.

California Public Resources Code Section 42649.82(e)(3) allows the City to exempt a business or group of businesses from the requirements of California Public Resources Code Section 42649.81, on a case-by-case basis, when the City determines that the business meets an exemption criteria, such as spacing limitations or no food waste generated.

Upon review, an on-site survey from Republic Services will be performed to evaluate the exemption reason. Please wait to hear from us on the status of your request.

Please submit this form by mailing to:
Matthew Cuevas | Management Analyst
City of Alhambra
111 S. First St. | Alhambra, CA 91801

Requester Name, Title: _____ Date: _____
On-site contact name: _____ Contact phone (____) _____
Business Name: _____ Business phone (____) _____
Business Address: _____ Email: _____
Business City, Zip: _____

Please check your reason for exemption:

- No space available for additional containers, *please attach pictures as proof of spacing limits*
- Site generates less than ½ cubic yard of organics per week
- Site generates less than 1 cubic yard of organics per week
- Existing recycling programs divert the majority of the materials

We'll handle it from here.®
