Alhambra Partners With Herald Christian Health Center To Offer COVID Vaccinations For Alhambra Residents

Alhambra, CA — The City of Alhambra is partnering with the Herald Christian Health Center (HCHC) to offer COVID-19 vaccinations for Alhambra residents on two separate days: Monday, March 22 and Friday, March 26. The vaccinations for March 22 will take place from 12:30 p.m. to 3:00 p.m. at the San Gabriel Mission Playhouse, on 320 South Mission Drive in San Gabriel. The vaccinations for March 26 will take place from 9:00 a.m. to 12:30 p.m. at the Rosemead Community Recreation Center and Park, 3936 Muscatel Avenue in Rosemead.

“Through this partnership with HCHC, we'll be able to help our vulnerable community members get the vaccination they desperately need,” said Mayor Sasha Renée Pérez. “It will make a big difference for Alhambra residents and we are grateful for the community partnership.”

HCHC will be administering 600 doses of the Moderna vaccine for Alhambra residents that are in Phase 1A or 1B, Tier 1 of the Los Angeles County Department of Public Health vaccine distribution guidelines. These include:

- Healthcare workers
- Staff and residents of skilled nursing or long-term care facilities
- LA County residents 65 and older
- Education and Childcare workers
- Emergency Services workers
- Food and agriculture workers
- People with serious health conditions or disabilities
- Janitorial, custodial, and maintenance services workers
- And Transportation and logistics workers

To check your eligibility, visit LA County’s website. The vaccinations are first come, first served. Appointments are required. Alhambra residents must fill out a COVID-19 Registration form, located on the City’s website at https://www.cityofalhambra.org/resources/covid-vaccination.
Once they submit the form, City staff will contact them to confirm their appointment.

Herald Christian Health Center will schedule second dose appointments for residents after their vaccines have been administered.
