Jeffrey Koji Maloney – Councilmember/Environmental Attorney

Four years ago, Alhambra voters elected me to my first term as a Councilmember. Every day since, I have put my heart and soul into solving the issues facing our community. This has been one of the great honors of my life and I am grateful for the opportunity to serve.

My priorities are unchanged - improved quality of life, environmental sustainability, public safety, economic stability, and protecting our residential neighborhoods. Further, the COVID pandemic has created new issues that threaten our City and our residents.

Despite the challenges we face, I'm proud of our progress: a new General Plan, our first tree protection law, new accessible playgrounds, initiating a historic preservation ordinance, and securing over \$150,000,000 for traffic solutions. Additionally, I helped lead a rapid response to the COVID outbreak, establishing local test sites, distributing food to needy families, and emergency housing assistance.

We have many accomplishments to be proud of over these last four years, but our work is just beginning. I am confident that Alhambra's best days are in our future. With your continued support, I hope to lead the charge towards that future.

Vote Jeff Maloney!
