2022 ACCOMPLISHMENTS REPORT
CITY OF ALHAMBRA
MISSION STATEMENT

The City of Alhambra is dedicated to responsive, creative leadership and quality services, ensuring desirable neighborhoods and a supportive business environment, while being sensitive to the diversity of our community.
MESSAGE FROM THE CITY MANAGER

On behalf of the City of Alhambra, I am proud to present our 2022 Accomplishments Report to the community we proudly serve every day. This document highlights much of our efforts from last year and identifies key strategic activities underway. I hope you will find that these achievements exemplify our commitment to excellence as we provide quality services ranging from emergency response to economic development to public works and utilities.

The accomplishments would not be possible without the leadership of the esteemed City Council and the remarkable City of Alhambra workforce. I continue to be impressed by what the organization has achieved in continuously challenging times. I look forward to building upon these successes in the year ahead.
MANAGEMENT SERVICES

STRATEGIC PLANS & SPECIAL PROJECTS

- Ongoing planning and conceptual design for the I-710 Mobility Improvement Projects. The Council has received concept options for Fremont Improvements, with emphasis on a braided ramp feature off the I-10 and I-710 intersection. Further, the Council has received initial concept of the I-710 arterial with active transportation options. Discussions have been ongoing with neighboring cities, the Alhambra Unified Schools District, and other stakeholders including METRO (funding source) and Caltrans.
- **Active Transportation**: Staff is making progress with Active Transportation through the award of contract for the Bike and Pedestrian Improvement Plan. The plan is expected to be completed within a year, and efforts will complement the City’s commitment to Vision Zero.
- **Sustainability Plan**: With $680,000 in federal funding committed, work will be underway soon on the development of the City’s Comprehensive Sustainability Plan. Award of contract to a consultant to develop the plan is expected by April 2023. The process is expected to address local needs while aligning with regional and state environmental objectives. Staff is also working on grants to help support efforts tied to sustainability including green space and electric charging stations.
- Finalized the Council’s preferences and ordinance changes with respect to Boards and Commissions. Explored Healthy Democracy; addressed enhanced scope for Environmental Commission; and added Historic Preservation and Human Relations Commissions.
- Continue to explore opportunities for innovation and best practices.

STRATEGIC PRIORITIES

HOMELESSNESS

- Ongoing administration of the Homeless Outreach Mental Evaluation (HOME) Team.
- Secured federal grant funding for extension of HOME Team services on nights and weekends.
- Secured grant funding for branding and public education of HOME Team program.
- Consistently evaluating HOME Team progress. While 2022 Point In Time count numbers show an increase in the number of persons observed as homeless (from 46 to 90), the increase is primarily in the number of “sheltered” persons.
- Planning is underway for the $2.1 million funding to address homelessness from HOME ARP.
HOUSING AND URBAN DEVELOPMENT (HUD) PROGRAMS

- Ongoing administration of Community Development Block Grant (CDBG) and Homeless Outreach Mental Evaluation Team (HOME) activities for the 2022-23 Action Plan Year.
- Submitted One Year Action Plan and completed Comprehensive Annual Report.
- Ongoing home improvement, code enforcement, and public services.
- Implemented Small Business Assistance Program through Substantial Amendment and transfer of CDBG COVID relief funds.
- Implemented a street infrastructure improvement project in 2022-23 through a substantial amendment.

WASTE MANAGEMENT SERVICES

- Fully transitioned to the new waste services contract for residential and commercial customers with Republic Services for solid waste, recycling, and organics collection.
- Currently implementing and planning for all facets and requirement of SB 1383 (organics recycling services). Electronic Annual Report (EAR) was submitted in October 2022.
- Ongoing work with third parties including the business community and non-profits to ensure food recovery compliance and progress.
- Community programming including composting workshops, compost giveaways, electronic waste and paint roundups, and Summercamp education sessions.
- Secured a CalRecycle grant and selected a consultant to assist the City in marketing and outreach efforts on SB 1383.

LEGISLATIVE MONITORING AND ACTION PLANNING

- Staff carefully monitored and worked with the City's lobbyist in opposition or support of legislation impacting Alhambra. Specifically, letters in concert with the City's Legislative Platform were drafted regarding:
  - Homelessness and Care Court
  - SB 1383 (Organics and Recycling)
  - Public Works (Street sweeping)
  - Workers' Compensation
  - Budget Investment in Cities
  - Measure G
- The City took steps toward requesting discretionary State and Federal funds for various local priorities including the Shorb Community Center, green space (pocket park), plant demonstration and educational project at Burke Heritage Park, building permit digitization, book hold lockers at City parks, Wi-Fi at City parks, and electric charging stations at City parks. These requests (including $25 million for the Community Center) were approved under the State budget Act of 2022. The funding for the City's Sustainability Plan was approved at the Federal level. Outstanding funding items include electric buses and related infrastructure, which staff continues to pursue via grant funding opportunities.
GRANT FUNDING REQUESTS

- **Story Park**: State Park funds for new playground; pool removal; and expanded green space.
- **Burke Heritage Park**: State Park funds for new features, including walking path, all-inclusive play area, and seating. This project is expected to align with other intended improvements at the park, including a bioswale project made possible through Measure W funds and enhancements to the xeriscape garden through funding from the state.
- **Alhambra Park Pool Improvements**: County funds for full renovation of the lobby, expanded restrooms and changing areas, high efficiency fixtures, new roofing, and exterior upgrades, including new landscape and ADA enhancements.
- **Almansor Park Gym**: State Park funds to install new windows.
- **Playgrounds**: County funds for outdated playground equipment at Alhambra Park and Granada Park.
- **Alhambra Park Restroom**: County funds for restroom improvements and renovations.
- **HOME Team Expanded**: Federal funds for additional homeless support services on nights and weekends.
- **Police**: Federal funds for training and equipment.
- **High Frequency Fire Communications**: State funds for emergency communications equipment and EOC training.
- **SB 1383**: State funds for community outreach and engagement on organics and recycling requirements.
- **Urban Greening**: State funds for stormwater capture project on Main and Fremont.
- **Big Belly Receptacles**: Ongoing state funds for solar compactor trash and recycling bins.
- **Library**: State funds for library roof replacement.
- **Zip Books**: State funds for book request outside of the City’s collection.

MARKETING AND COMMUNICATIONS

- Ongoing public information regarding City services and other pertinent community information through the City’s website, press releases, social media interaction, Leisure Guide, and electronic newsletter.
- Posting of Public Meetings with virtual options during COVID-19.
- Supported and facilitated town hall meetings on behalf of the Council for various topics including the Zoning Code, Housing Element, Redistricting and Know Your Neighbor.
- Offering Google translate for Council Agendas on the City's website.
- Ongoing communications regarding the I-710 Mobility Improvement Projects including the development of Advancing Alhambra.
- Launched the Community Satisfaction Survey, with the results to be presented to the Council in February 2023.
CITY CLERK

- Completed final map adoption, public hearings, and workshops in decennary redistricting process.
- Held Alhambra General Municipal Election for Councilperson of the First District, Councilperson of the Second District, and Councilperson of the Fifth District.

FINANCE

- Adopted the Fiscal Year 2022-23 Annual Budget and Capital Improvement Plan utilizing the new budget software.
- Received the Certification of Achievement for Excellence in Finance Reporting from the Government Finance Officers Association of the United States for Fiscal Year 2020/21 Comprehensive Annual Financial Report.
- Completed the facilities condition assessment study for City-wide buildings and facilities.
- Monitored and submitted quarterly reports of the American Rescue Plan Act (ARPA) approved project listings.
- Launched virtual permits for overnight parking permits in October 2022.
- Contributed an additional $1.68M to the Other Post-Employment Benefit (OPEB) trust account.
- Began implementing a uniform timesheet tracking system for safety employees to improve efficiency and promote paperless entry.
COMMUNITY DEVELOPMENT

BUILDING DIVISION

- Processed 1,149 new plan review projects with 9,905 documents reviewed.
- Issued 2,286 permits with a valuation totaling $100,153,323.18.
- Streamlined the Additional Dwelling Unit (ADU) plan review process by consolidating Fire Code, Planning, and Public Works reviews all through the Building Division.
- Finalization of the Camelia Court and Pacific Villa projects which brings over 200 new housing units to Alhambra.
- Finalization of the new Raising Cane's at 1300 E Valley Blvd.

ECONOMIC DEVELOPMENT DIVISION

- 172 new businesses opened.
- Outreach to various businesses regarding retail/restaurant opportunities in Alhambra.
- Assisted various businesses in obtaining permits and navigating entitlement process.
- Conducted economic study on revitalizing Valley Boulevard and presented to City Council.

PLANNING DIVISION

- Amended the Zoning Ordinance to permit and streamline the approval process for 100% affordable housing developments in the Downtown Revitalization District.
- Secured entitlements for Related Companies to develop a 44-unit affordable housing complex in the Downtown on property owned by the City of Alhambra.
- Streamlined the Accessory Dwelling Unit (ADU) permitting process by reducing plan check and review timeframes. Initial steps begun for the creation of pre-approved ADU plans through a coordinated effort with other member cities of the San Gabriel Valley Council of Governments.
- Adopted an Urgency Ordinance establishing City standards pertaining to Urban Lot Splits and Urban Dwellings.
- Completed an economic study, including market analysis, pro forma financial analysis, and fiscal impact analysis for East Main Street.
- Completed an economic study, including market analysis for West Valley Boulevard.
- Concluded Phase 1 of the Historic Preservation Program with the completion of the Historic Context Statement.
- Completed the Feasibility Study for the Shorb Community Center.
- Started planning efforts to streamline the review and processing of Business Licenses and eliminating Certificate of Occupancy applications.

HOUSING DIVISION

- Assisted eight projects through the rehabilitation program.
- Housing Rights Center served 149 Alhambra residents (tenants, landlords/managers, home seekers) at the Alhambra Library Walk-In Clinic.
Athens Square: 101-107 South Chapel Avenue. The mixed-use commercial/residential complex will consist of a 1,000-square-foot office unit on the ground floor and 28 residential units on the second, third, and fourth floors. A 9,338-square-foot common area courtyard will be located on the second level.

Chapel Avenue Mixed-Use Project: 123 South Chapel Avenue. The commercial/residential mixed-use development will consist of 3,212-square-feet of ground floor office and 3 floors of 37 residential condominiums.

Camellia Court Medical Office Buildings: 1658 & 1668 West Valley Boulevard. This is a development with 2 medical office buildings. 1658 W. Valley Blvd. will be two-stories tall with 20,164-square-feet of floor area. 1668 W. Valley Blvd. will be one-story tall with 12,800-square-feet of floor area. The development will have both surface and one level of underground parking.

Monterey Bay Square: 108-110 South Monterey Street. The project consists of a six-story mixed-use building with 14,068-square-feet of ground floor commercial space including 10,418-square-feet of restaurant space and five levels of residential condominiums above (62 units total).

Raising Cane’s: 1300 East Valley Boulevard. This 4,948-square-foot quick-serve restaurant building was converted from a former Wells Fargo Bank building. The restaurant has both indoor and outdoor seating and a dual lane drive-thru queue.

Woodhaven Townhomes. A 125-unit townhome community with common amenities consisting of a club house, a swimming pool, barbecues, and an outdoor park. All units are provided with built-in home automation features. Vehicle access is provided through internal private streets.

713-727 South Stoneman Avenue. This is an 18-unit residential condominium complex on a lot size of approximately 29,214-square-feet. The residences are placed in four building clusters and a 4,888-square-foot recreational open space is provided in the center of the complex.

Raymond Avenue Office Building: 117 South Raymond Avenue. This project consists of a 4-story, 6,500-square-foot, administrative office building on lot of approximately 10,080-square-feet.

UNDER CONSTRUCTION

CONSTRUCTION COMPLETED
FIRE DEPARTMENT

- Responded outside of Alhambra to aid other areas of California for wildland and urban search and rescue under the state mutual aid system.
- Provided specialized training to include:
  - After Action Reviews for all major incidents (single alarm or greater) impacting Alhambra and surrounding areas.
  - Simulated emergency incidents utilizing advanced software focusing on Alhambra's most critical infrastructure (target Hazards).
  - Specialized Urban Search and Rescue training provided through Alhambra's regional training center.
- Hosted critical specialized Fire Ground Survival training (FGS), adhering to national standards for both Alhambra and surrounding departments.
- Hosted Urban Search and Rescue (USAR) training for the San Gabriel Valley at Alhambra's regional training center.
- Facilitated ongoing Fire Captain, Fire Engineer, Fire Paramedic, and Fire Cadet recruitment in collaboration with Human Resources.
- Hosted two internal Fire Recruit Academies at Alhambra's regional training center.
- Established an internal Peer Support Program to address Critical Incident Stress Debriefing (CISD) and overall mental health for Fire Department staff and their families.
- Expanded arson training to additional firefighters to increase the number of qualified arson investigators on shift.
- Provided public education and community outreach through school visits, city hosted events, station tours, and organized community events such as the “Open House and Pancake Breakfast” event, “Spark of Love” event, 9/11 ceremony, and the first promotional ceremony in three years.
- Completed all Los Angeles County EMS agency audits to provide valuable emergency medical services to the Alhambra community (Advanced and Basic life support).
- Secured grant funding and initiated installation of a backup emergency communications system to continue building on emergency operation center capabilities.
- Placed a new fire engine pumper in service at Station 71.
- Initiated purchase of a new heavy duty aerial fire truck.
- Received Measure B funding of $330,000 to update current heart monitors/defibrillators carried on all emergency response vehicles.
- Moved from old, outdated policy manuals to a web-based system which automatically keeps the department up to date on state and federal policies.
- Changed fire inspection process from a manual (pen and paper) process to an automated tablet-based system.
- Continued to upgrade City’s telephone system. All City locations now have IP phones and are deploying a new voicemail system.
- Assessed “Panic Button Alarm Systems” at City Hall, Library, and Utilities Customer Service Center, and made repairs as necessary and verified proper operation.
- Installed software to key cell phones within the Fire department as a back-up communication system during cell outages.

7,146 Emergency Call Responses
5,892 EMS Incidents
853 Fire Incidents
3,704 Construction & Business Inspections
3,704 Multifamily Residential Inspections
981 Plan Checks
HUMAN RESOURCES

- Streamlined testing and recruitment processes for sworn Police and Fire personnel to expedite filling vacancies in public safety positions.
- Updated policies and programs to offer greater incentives to lateral Police Officers, Firefighter Paramedics and Police Dispatchers hired by the City.
- Settled and closed existing workers compensation claims in order to reduce liability to the City.
- Managed existing workers compensation claims in order to limit and reduce lost work time due to employee injuries.
- Continued to manage and administer COVID-19 Emergency Paid Sick Leave benefits extended to employees.
- Hosted “Prepare for Retirement” Workshops for employees, including implementation of workshop offerings to employees on a quarterly basis.
- Completed negotiations and reached agreement on successor Memorandums of Understanding for all employee groups whose contract expired on June 30, 2021.
- Hosted first-ever City-wide Customer Service & Violence in the Workplace training for all employees.
- Updated various policies and various classification specifications for Council approval.
- Coordinated the annual Employee Recognition Luncheon and Employee Health and Benefits Fair.
LIBRARY SERVICES

- Expanded mobile library services to include in-person programming such as mobile storytime, Bike Smart with Alhambra Library Series, Día de Los Niños Celebration, and NASA@YourLibrary events.
- Added mobile library visits to Emery Park, local schools, and community events.
- Increased partnerships with Garfield Health, Chinatown Services Center, and Asian Americans Advancing Justice to offer additional free information workshops facilitated by medical and legal professionals.
- Expanded passport services to include afternoon, evening, and weekend hours. Alhambra Library is one of the few locations in the LA Basin to offer appointments on Sunday.
- Increased programs and marketing materials offered in bilingual and trilingual formats (English, Mandarin Chinese, and Spanish).
- Participated in partnerships and collaborations to provide programming to the community such as Storytime with the Police and Fire Departments, Autumn Fest, Golden Streets, Composting workshops, Trunk or Treat, and National Night Out.

- Tournament Volunteer Award winner at the 2023 Tournament of Roses, marking 94 years of City participation.
- Senior Ride
- Drive Through Senior Lunch Program
- Senior Programs
- Aquatics Programs
- Farmer's Market
- Cheerleading Program for Youth
- Flag Football Program
- Tiny Eagles Basketball
- Camp Alhambra
- Afterschool Program offered on-site at AUSD school sites
- Fiesta Alhambra Celebration
- Autumn Festival
- 626 Golden Street Mission to Mission Event
- Holiday Home Decorating Contest
- Memorial Day Ceremony
- Veterans Day Ceremony
- Alhambra Pumpkin Run
- Youth Summer Lunch Program
- Published Two Leisure Services Guides
- Movies in the Park
- Concerts in the Park
- Bunny Hop Walk
- Holiday Festival
- Record high golf rounds at Alhambra Golf Course

IMPROVEMENTS

- Completed the Alhambra Driving Range Project.
- Completed the Alhambra Tennis Courts Remote LED Lighting Project.
- Installed Top Tracer Program at the Alhambra Driving Range.
- Completed the Alhambra Pools Shade Cover Project at Alhambra and Granada Park pools.
- Completed the Almansor Park Outdoor Fitness Equipment Project.
- Completed the Almansor Park Walking Trail Project.
- Installed new security light poles at Granada Park and Almansor Park.
Community Oriented Problem Policing Section (COPPS)

- Created a Know Your Neighbor Program with five Know Your Neighbor events throughout the City.
- Hosted several successful City events, which have been greatly supported by the community:
  - National Night Out
  - Pet Vaccination Clinic / K9 Event
  - Four Coffee with a Cop events
  - Trunk-or-Treat
  - Meeting with Community Chaplains from Faith based organizations
  - Senior safety meetings at Joselyn Center
  - Community/business meeting at Reese Hall with local business owners
- Two G.R.E.A.T. Officers were selected to attend training and taught the curriculum to 160 Alhambra Unified School District (AUSD) students (3 classes).

Homeless Outreach Mental Evaluation (HOME)

- Contacted 358 individuals and had 741 follow-ups.
- 19 individuals linked to shelter or interim housing.
- 3 individuals linked to permanent housing.
- 28 Individuals linked to Substance Use Disorder (SUD) treatment.

TRAFFIC

- The Alhambra Police Department received the 2022-2023 Office of Traffic Safety (OTS) grant for $120,000 to fund selective traffic enforcement details, DUI Checkpoints, and Traffic Safety Equipment.
PERSONNEL AND TRAINING
- Promotional Ceremony held to congratulate 12 employees on their accomplishments.
- Successful recruitment efforts conducted to onboard:
  - 9 Police Officers/Recruits
  - 5 Dispatchers
  - 1 Marketing & Community Engagement Assistant
  - 1 Management Analyst
  - 3 Police Clerks
  - 2 Police Service Officers
  - 1 Cadet

RECORDS
- As of January 2021, the Records Division was awarded the NIBRS/CIBRS Certification (National Incident Based Reporting System/California Incident Based Reporting System).
- Refresh of body-worn cameras with improved battery life for Officers.
- Additional desk scanners were purchased to streamline the process and be more efficient when processing reports.

BUSINESS OFFICE
Grants
- Awarded $245,659 from the Behavior Health Justice Intervention Services (BHJIS) Grant to fund:
  - Development of HOME Team & Know Your Neighbor flyers in multiple languages
  - Onboarding an additional Outreach Specialist from Los Angeles Centers for Alcohol and Drug Abuse (L.A. CADA) to conduct direct outreach and case management on nights and weekends
  - Know Your Neighbor events, Business Meetings, Medical Evaluation Team (MET) from local jurisdictions, and HOME Team meetings
  - Additional equipment purchased (tables, chairs, radios, computer equipment, storage containers)
- Awarded $84,362 from the Tobacco Grant for the prevention of sales of tobacco products to minors.
- Awarded $13,522 from the Edward Byrne Memorial Justice Assistance Grant (JAG) for patrol equipment.

Special Funds
- Awarded $134,941.23 in Federal Asset Forfeiture funds in 2022, which will be utilized to purchase various police equipment, software, and training.
- ARPA
  - Additional Flock cameras installed, Unmanned Aircraft System (UAS) cameras purchased, and demographic data collection software in compliance with AB 953.
PUBLIC WORKS

COMPLETED PROJECTS

- **FY 19-20 (SB1) Street Rehabilitation Project**: Resurfaced 899,035 square feet of asphalt, repaired and replaced 8,309 square feet of sidewalk, upgraded or installed ADA ramps, repaired 4,285 linear feet of curb and gutters, and repaired or installed concrete cross-gutters in residential areas.
- **FY 20-21 (SB1) Street Rehabilitation Project**: Resurfaced asphalt pavement of 24 street segments, repaired and replaced 16,000 square feet of sidewalk, upgraded or installed ADA ramps, repaired 3,850 linear feet of curb and gutters, and repaired or installed concrete cross-gutters in residential areas.
- **2021 Street Improvements Project (Grand Ave, Ethel Ave, Campbell Ave)**: Asphalt pavement rehabilitation and concrete reconstruction of broken sidewalk, cross gutters, curbs and gutters, and the construction of ADA curb ramps.
- **2021 Alley Rehabilitation Project**: Completed in September 2022, repaired 10 alley segments totaling 4,000 linear feet.
- **2021 Monterey Street and Miscellaneous Improvements Project**: Completed in September 2022, reconstructed 50,000 square feet of pavement.
- **Valley Boulevard Pedestrian Improvement Project**: Crosswalk upgrades and beacons at the 3rd, 5th and 8th Street crossings of Valley Blvd., sidewalk clearance, pedestrian lighting, signing and striping, and ADA upgrades.
- **Candlestick Pole Re-Painting Project**: Repainted 132 street light poles in two areas of the City.
- **City Yard Public Works Building Roofing Project**.
- **Five police vehicles outfitted and placed into service**.
- **Two new ACT Buses placed into service**.
- **Two new Senior Ride Buses placed into service**.

UPCOMING PROJECTS

- Pedestrian Countdown Signal Head System Project.
- Airport Tract Series Street Lighting Conversion Project.
- FY 21-22 (SB1) Street Rehabilitation Project.
- 2022 Housing Urban Development (HUD) Project.
- 239 Poles projected to be repainted in 22-23 Pole Re-Painting Project.
UTILITIES DEPARTMENT

- Moved the Default Energy Rate from the 50% Clean Power rate to 100% Green Power.
- Implemented Water Shortage plan in preparation of water shortages.
- Awarded California Water and Wastewater Arrearage Grant of $84,406.92 for assistance with sewer bills.
- Awarded California Water and Wastewater Arrearage Payment of $194,233.67 for assistance with water bills.
- Painted Exterior of the Police Department.
- Advanced through the first round of the Urban Greening Grant Program for the Green Street Demonstration Project.
- Continued working on the Burke Heritage Park & Marengo Yard Stormwater Capture Project.
